CELEBRATING OUR VOCATIONS AND OUR COMMUNITY **WEEK OF SEPTEMBER 27-OCTOBER 3, 2021**

SERVING OUR COMMUNITY

TODAY'S ROTARY PROGRAM: LISA MERRICK AND CHARLIE BAKER CROSSFIT UNITE

As a coach, I strive to be the light in our members' days by positively encouraging everyone that no matter what, you can and will achieve anything you put your mind to. I am a walking testament of it! I understand just how difficult it is to walk into the gym some days. One day at a time and you WILL be better than you were the day before. When I am not coaching or training, I am spending time with my very patient and supportive significant other, Charlie, and family and/or managing a wide variety of sports events across the country including CrossFit competitions. I am a proud Mom of a caring and handsome young man named Mason, a Hound Mix named Leon, a Golden Retriever named Bo, Labrador Retriever named Punchy, English Baby Bulldog named Dozer and cat named Orion.

I have always been a competitor, whether it was on the football field or in the ring. I know no other way of life. CrossFit helped my game physically and mentally and it will yours too. It helped me become a stronger competitor in the ring and saved my life in more ways that I can begin to list in one sentence or paragraph. In my first year of training at Unite, I qualified for national competitions. It blew my mind. The positive support and friendship that surround this lifestyle/sport is like no other I have ever experienced. And it is something that your body can do and improve on as you get older. Look good, feel good, act good. It is a ripple effect that will go on and on.

WELCOME TO ROTARY!
